

LEADERS OF THE PRIDE

Creating an Aligned, Accountable, and Positive Team

Inspired, aligned, accountable, and unstoppable!

It's the leader we all want to be. It's the team we all want to be on.

This course will show you how.

If your team struggles with turnover, low performance, negativity, gossip, or petty conflicts... a total team transformation is easier and faster than you think! Katherine Eitel Belt, Dentistry's Unscripted Communication Expert, believes personal leadership and high-performing teams are created with three basic things: clear expectations, a positive culture, and courageous communication skills.

In this engaging presentation, Katherine adamantly rejects stale methods of leadership thinking and canned scripts and shares a fresh, instinctive approach to building a team that thrives. Craft a vision and strategic plan that actually changes things and learn how to align your team to achieve it. Using The Lioness Principle, you'll learn to lead, manage, and communicate in an intuitive way to improve your existing culture, team agreements, personal effectiveness, and productivity. Katherine will show us how to successfully navigate moments of conflict, disagreements, and all those conversations we've been tolerating or avoiding. Bring your hardest situations and watch as Katherine demonstrates live how to masterfully navigate them using a new mindset and a few simpler tools.

This is one of the most fun, enlightening, and inspiring programs you'll ever attend and one of Katherine's favorite topics to present to teams. She believes these skills could literally change the world and that once you know them, you and your team will never be the same again. No more excuses... and no more limits.
